

Free Public H1N1 Flu Vaccination Clinic

Beginning January 16, many Rhode Island cities and towns will hold free vaccination clinics for the general public. Anyone 18 years of age or older may be vaccinated at these public clinics. People will not have to present identification at the clinics and can attend any clinic, regardless of where they live. Everyone who is vaccinated at a public clinic will need to complete a consent form. The consent form will be available in the Human Resources Department and on the RIPTA website.
