

## THE R-LINE: ALWAYS THERE

R-Line buses come so often, you don't need a timetable. Just show up to your closest R-Line stop and a bus will arrive shortly to take you on your way. You don't need to rely on a schedule or worry about catching a particular trip.

- Service at least every 10 minutes during the busiest morning, mid-day, and evening travel hours.
- 20 minute service during nights and 15-20 minutes during weekends
- Full service seven days a week!

## SIMPLE AND EASY TO USE

- The bus always follows the exact same route coming and going, just like a train.
- R-Line Buses and Stops include large maps of the routes showing all the stops and destinations.

## MOVE MORE, STOP LESS

R-Line stops are being placed where most riders gather, within easy walking distance along the corridor. RIPTA worked with the neighborhoods along the lines to choose the best places for stations.

- Roadway improvements such as bus striping and queue jumps keep buses moving, even in heavy traffic.
- R-Line buses send signals to traffic lights, so green lights stay green longer or red lights switch to green faster.
