

MAKE THE SWITCH TO WAVE!

Say Hello to Wave – RIPTA’s new smart fare collection system! Smart card or mobile app? The choice is yours! [Click here](#) to watch a video on how to ride with Wave.

The **Wave smart card** is a permanent, rechargeable card used to pay your bus fare that you can easily manage online. It is plastic and embedded with a special computer chip that keeps track of the value of the card. To request a smart card, visit wave.ripta.com.

The **Wave mobile app** lets you quickly buy bus fares on your phone. When ready to board the bus, open the app, and scan it under the validator. To download the app, search for “RIPTA Wave” in Google Play and Apple app stores.

What are the benefits of Wave?

- Pay only \$2 for ONE HOUR of unlimited rides! Simply load value onto your account and the Wave reader will deduct \$2 from your stored balance when you tap your card or scan your app when you board.
- Earn As You Go – You no longer have to purchase a Day Pass or Monthly Pass upfront. Each ride gets you closer to earning a Day or Monthly Pass.
- Set up Auto Reload option. This feature allows you to set up Stored Value or pass products to automatically reload to your Wave when your Stored Value runs low. You choose how much Stored Value or which pass product you want to set up to Auto Reload.
- You never have to remember exact change. The fare amount is deducted from the stored value every time you ride.
- Secure ticket purchasing with your credit or debit card.
- Never lose your fare! Account balance and passes can be easily transferred if your registered Wave smart card or your phone is lost or stolen.
- More durable than traditional paper passes.
- Board the bus faster.

RIPTA FLASH PASS APP TO BE DISCONTINUED THIS MONTH

Still using the Flash Pass app? It's time to switch to Wave! RIPTA is discontinuing the Flash Pass app as part of transitioning our passengers to Wave – RIPTA's new smart fare technology now available in the Google and Apple stores.

RIPTA drivers will no longer accept the Flash Pass, or any previously purchased Flash Pass fare products, after October 31, 2020. **You MUST use all remaining fare products in the Flash Pass before November 1, 2020.**

Once you have used all the fare products within the Flash Pass app, please delete the app and switch over to Wave.

NEED A CHARGE?

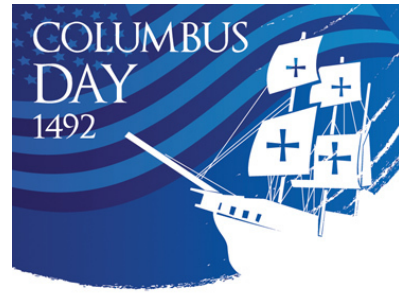

Now you can get one – at RIPTA's Headquarters! Working with National Grid, RIPTA has installed a ChargePoint, two-vehicle electric charging station in its public parking lot at 705 Elmwood Avenue in Providence. For more details, [click here](#).

To view a map of all the ChargePoint charging stations across the state, [click here](#).

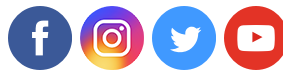

RIPTA CELEBRATES COLUMBUS DAY

RIPTA will operate all regular fixed-route buses and trolleys on a Sunday/Holiday schedule on Monday, October 12, 2020 in observance of Columbus Day. All RIPTA offices will be closed on the holiday.
